

ENTREPRENEUR WINES

2010 MT. VEEDER RESERVE CABERNET

Wine Profile

Our 2010 Cabernet Sauvignon comes from a 12 acre vineyard in the Mount Veeder Appellation of Napa Valley. The vines are over 25 years old and cared for by sustainable farming done by hand. Mt. Veeder production accounts for less than 2% of overall Napa wine production.

Wine Maker's Notes: A tasting discloses flavors of classic dark cherry, cassis and hints of mocha balanced perfectly with spice and subtle notes of wood. Aging in French Oak barrels helped create its complex, yet delicate flavor. Enjoyable now, this wine will continue to improve in the cellar for years.
